Under Counter UL Rated TL-15 Controlled Substance and Pharmacy Container

DEA/DoD regulations require most **Controlled Substances** to be stored in a **GSA Approved Class 5 Container or UL Rated Burglary Resistant Safe**. For complete requirements visit the **DEA, Office of Diversion Control** website. Refer to the **“Security Outline of the Controlled Substances Act of 1970.”** Additional, Non-Practitioner requirements may apply, such as weight minimums, normally exceeding 750 Lbs, and an external monitored alarm.

UL Rated Burglary Resistant TL-15 Composite Safe Specifications:

Empty Weight – 760 Lbs.

<u>Description</u>	<u>Interior</u>	<u>Exterior</u>
Depth	13.5”	20”
Width	22”	26”
Height	20 3/8”	24 3/8”

This compact Underwriter's Laboratories (UL) Rated TL-15 Composite Safe is specifically designed as a compact, under the counter, DEA Approved container for locations which have minimum storage requirements. The unit's weight of 760 Lbs. exceeds the minimum weight requirement for a controlled substance container so it is not necessary to utilize a bolt down kit.

This safe is equipped with a UL Rated Group 1-R lock, with relocking mechanism, and is complete with four (4) user adjustable shelves, any of which may be quickly and easily repositioned or removed/installed as required. This compact safe is depicted above equipped with a right swing door. However, it is available in either left or right swing door configurations, per your installation requirements, at no additional charge.

The standard color is Gray, but other colors are optionally available.
