

GSACONTAINER.COM: GSA Approved Containers and Safes
Supplying Military, Government, and Civilian Contractors Worldwide

GSA Approved Class 5 Controlled Substance and Pharmacy Containers

GSAContainer.com offers the full range of GSA approved containers and safes, as well as other security equipment, which will meet your classified material or security storage and handling requirements.

The terms GSA container and GSA safe can be used interchangeably. Whether you represent the military, government or a civilian contractor, we likely have what you need. Many containers are shipped from stock, and are available in all popular configurations including one, two, four and five drawer filing cabinets, map plan containers and general purpose containers. In the case of the latter two categories, we can install custom inserts, as required, such as weapons carts, shelves, drawers and related hardware tailored to your specific requirements.

We ship worldwide from our facility conveniently located near the Port of Norfolk, VA, home to the largest concentration of military assets in the world today.

DEA/DoD regulations require most **Controlled Substances** to be stored in a **GSA Approved Class 5 Container**. For complete requirements visit the **DEA, Office of Diversion Control** website. Refer to the **“Security Outline of the Controlled Substances Act of 1970.”** As noted there, additional, Non-Practitioner requirements may apply, such as weight minimums, normally exceeding 750 Lbs, and an external monitored alarm.

Pictured to the right are two specialized versions of inserts which are highly functional in a pharmacy environment. The Class 5 Map Plan Container, when equipped with custom manufactured Pharmacy Inserts offers an elegant solution to large volume storage, in a manner which facilitates easy identification and access. This container is also available with fixed shelves, as well as shallow, and file drawers, all of which can be installed interchangeably. The General Purpose container is pictured below with shallow and regular drawers installed. Shelves are also available. For simple approved storage requirement, we also offer the Class 5 Two and Four Drawer File Containers.
